

Dodawanie i odejmowanie dziesiątkami do 100

Oblicz. Jeśli chcesz, skorzystaj z liczydła na dole stron 60-61 w ćwiczeniach matematyczno - przyrodniczych. Powodzenia!

$20+60 = \square$

$100 = 30+\square$

$50+40 = \square$

$100 = \square+50$

$80-20 = \square$

$100 = \square+20$

$70+20 = \square$

$100 = 60+\square$

$10+40 = \square$

$100 = 10+\square$

$30+30 = \square$

$100 = \square+40$

$60-10 = \square$

$100 = \square+100$

$90-80 = \square$

$100 = \square+30$

$70-40 = \square$

$100 = 20+\square$

$50+20 = \square$

$100 = 40+\square$

$30+40 = \square$

$100 = 70+\square$

$20+80 = \square$

$100 = 80+\square$

$100-50 = \square$

$100 = 90+\square$

$100-20 = \square$

$100 = \square+60$

$100-80 = \square$

$100 = \square+70$

$100-90 = \square$

$100 = \square+80$
